

CYBER ESS APP ANNOUNCED

CYBERPAY RELEASES APPS FOR APPLE & ANDROID

Our partners on the CyberPay development team have released an app for Apple and Android. The app will allow users to access the ESS portal to download pay stubs and annual tax forms. If offered by the employer, the app will also let users complete additional activities that are accessible via their portal, such as using the time clock, submitting PTO requests and viewing notifications.

Downloading the Cyber ESS App

Users who would like to download the app should search for Cyber ESS in the applicable app store or click the following links. The app is free of charge.

- Android: https://play.google.com/store/apps/details?id=com.cyberpayonline.ess.app&hl=en_US&gl=US
- Apple: <https://apps.apple.com/us/app/cyber-ess/id1637848447>

Users will need to enter “BFG” when prompted for a Company Code. Then, they can sign in with the same login name and password they use for the internet portal.

We have created a flyer for you to share with your employees. Please find it at the following link: [New CyberESS Mobile App – Employee Flyer](#)
